Entering Switzerland on a foreign passport for study purposes

BSL Applicants who seek to enter Switzerland on a passport for any of the countries mentioned below must be in possession of a **STUDY VISA** issued by a Swiss Embassy or Consulate before entering Switzerland for the purposes of studying:

Europe:	Albania, Armenia, Azerbaijan, Belarus, Bosnia and Herzegovina, Bulgaria, Croatia, Georgia, Kosovo, Macedonia, Moldova, Montenegro, Romania, Russia, Serbia, Turkey and Ukraine
Africa:	all countries
Asia:	all countries, except for students from Brunei Darussalam, Japan, Malaysia and Singapore
Oceania:	all countries, except for students from New Zealand
Americas:	all countries

Notes:

- This list may be changed at any time. It is advisable to consult a Swiss Embassy or Consulate about the latest position.
- Applicants from all countries require a STUDY PERMIT to stay in Switzerland for the purposes of studying. The STUDY PERMIT is applied for on arriving in Lausanne.
- The applicant cannot be accompanied by other members of his/her family.
- A TOURIST VISA does NOT satisfy the above requirements and does NOT authorize a student with a foreign passport to study in Switzerland.
- The Swiss authorities may require up to three months to process a study visa application from the date such application is submitted to the Swiss Embassy/Consulate.

BSL prepares all study visa and permit applications for its students. However, Embassies and Consulates provide the information on the process to the student, not BSL. Therefore students are expected to keep BSL informed about the progress of their visa applications.
