

HR Seminar - Management Training

Developing & Managing Others

3 days

Human Resources at its best

Who should attend:

Professionals and managers who are, or will soon be, involved in human resources or who seek to broaden their understanding in how to professionally manage people.

Seminar Objectives:

BSL's seminar in Developing & Managing Others provides a comprehensive overview of the best tools and practices in managing people, as well as hands-on practical experience of how to apply them. The seminar will cover:

- Interviewing and separation skills, including selection and recruitment
- Motivation, compensation, recognition
- Talent development, potential development and succession planning
- Creating alignment
- Setting objectives and measurements

Michael Hathorn

Professor

Michael Hathorn gives the Developing & Managing Others course at Business School Lausanne. He is currently a partner of OPTIMIS Sarl, where he focuses consulting services on strategy and organizational development.

Previously working for an investment management firm, Capital International, Hathorn founded and headed the firm's Training and Development function for the European businesses. At TNT in Amsterdam, he served as Group Director of Learning and Organizational Development. Hathorn is a contributor to the World Business Council on Sustainable Development and is a member of the Society for Organizational Learning and the American Marketing Association. Hathorn is a graduate of Louisiana State University with a BA in Political Science and an MS in Marketing. He is currently a Ph.D candidate at the University of St. Gallen.
