

## **Book your individual meeting: MBA / Executive MBA**

Having an individual meeting with our program coordinator is the best way to find out if the BSL MBA / Executive MBA is the right program for you. A meeting on one-to-one basis gives you the opportunity to ask questions specific to your situation and receive more personalized feedback.

An individual meeting will also provide important information about the BSL admissions requirements and what types of students we seek. You will receive first-hand knowledge about the culture, classes, faculty and the overall BSL experience.

You can book your individual meeting by simply sending us an email at [mba@bsl-lausanne.ch](mailto:mba@bsl-lausanne.ch). We will shortly send you a confirmation and schedule an appointment for you.
